SUPPLEMENTARY INFORMATION: The Social Security Act authorizes the DOL to prescribe standard definitions, methods and procedures, and reporting requirements for the collection of information on benefit payment accuracy and the reemployment of unemployment insurance benefit recipients to ensure the verification of these data. The DOL uses information collected on Forms ETA-9128, 9128U, and ETA-9129 to evaluate State performance in terms of service delivery and to report on the REAs, including the number of scheduled in-person reemployment and eligibility assessments, the number of individuals who failed to appear for scheduled assessments, actions taken as a result of individuals not appearing for an assessment (e.g., benefits termination), results of assessments (e.g., referral to reemployment services, found in compliance with program requirements), estimated savings resulting from cessation of benefits, and estimated savings as a result of accelerated reemployment. Information collected on Form ETA-9128U is required by the Middle Class Tax Relief and Job Creation Act of 2012, Pub. L 112-96.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information if it does not display a valid

Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1205-0456. The current approval is scheduled to expire on October 31, 2012; however, it should be noted that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review.
